"Let Your Fingers Do The Walking"

WHEN YOU WANT A PRODUCT OR SERVICE...

Suppose it's furniture - just do this:

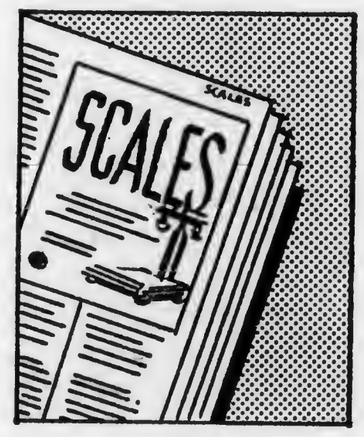
First, find "Furniture-New" on the "F" pages. Then pick out the dealer whose message interests you most, or who sells the kind of furniture you want, or whose location is most convenient to you.

WHEN YOU HAVE FORGOTTEN A BUSINESS FIRM'S NAME...

Frequently, the full name of a firm is forgotten—for example, you recall seeing a plumbing firm's name on a truck, but can't remember it. Simply turn to "Plumbing Contractors." Here you will find all the Plumbers. You will be able to recognize the forgotten name.

WHEN YOU WANT TO FIND A TRADEMARKED PRODUCT OR SERVICE...

Suppose you want a dealer for a nationally known product or service.
Let's assume you were looking for a brand of glass.
First turn to "Glass-Auto, Plate, Window..." Then select your dealer from those who use the trade mark of the brand you want.



WHEN YOU REMEMBER THE ADDRESS OF A BUSINESS FIRM AND HAVE FORGOTTEN THE NAME...

You may forget a business establishment's name but remember its location.
For example—you want a photographer on Woodward Avenue. Simply turn to "Photographers-Portrait." Here you will find all the photographers listed. All you have to do is look for the Woodward Avenue address.

OR...IF YOU ARE A PURCHASING AGENT AND WANT TO BUY SCALES...

The "Scales" classification on the "S" pages will give you a wide choice of selection.
